OPINION AND ORDER

This matter is before the Court for review of the Report and Recommendation of United States Magistrate Judge Kevin F. McDonald, made in accordance with 28 U.S.C. 636(b)(1)(B) and Local Civil Rule 73.02 for the District of South Carolina. The plaintiff Nora F. Lagrone O'Connor ("the plaintiff"), brought this action seeking judicial review of the final decision of the Commissioner of Social Security ("Commissioner") denying her claim for Disability Insurance Benefits ("DIB").

On July 14, 2015, the Magistrate Judge issued a Report and Recommendation in which he recommended that the Commissioner's decision be reversed pursuant to sentence four of 42 U.S.C. § 405(g) and that the case be remanded to the Commissioner for further consideration. (ECF No. 20.) On July 31, 2015, the Commissioner filed "Defendant's Notice of Not Filing Objections to the Report and Recommendation of the Magistrate Judge." (ECF No. 21.)

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *Mathews v. Weber*, 423 U.S. 261 (1976). The Court is charged with making a *de novo* determination of those portions of the Report to which

specific objection is made, and the Court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge, or recommit the matter to him with instructions. 28 U.S.C. § 636(b)(1). In the absence of a timely filed objection, a district court need not conduct a *de novo* review, but instead must “only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.” *Diamond v. Colonial Life & Acc. Ins. Co.*, 416 F.3d 310, 315 (4th Cir.2005).

The Court has carefully reviewed the record and concurs in the recommendation of the Magistrate Judge. The Court adopts the Report and Recommendation and incorporates it herein by reference. The decision of the Commissioner to deny benefits is **reversed** and the action is **remanded** for further administrative action consistent with this order and the Report and Recommendation.

IT IS SO ORDERED.

s/ Bruce Howe Hendricks
United States District Judge
